“Bring YOU Back to Business”

Laurie Hall, Facilitator, Coach, Speaker & Consultant at New Horizon Strategies, LLC enlightens us on the numbing ways we lose touch with our vision and mission while running our businesses. Experientially engage in assessing how forecasting and feedback are creating or hijacking successful strategies in all parts of our lives. Using tools from Motivation Theory, Lean Six Sigma Process Improvement, Strategic Planning and Operational Excellence, as well as Dr. Brené Brown’s Resiliency work, you’ll leave with an emboldened sense of purpose and timely direction.
